

2010 Fall Softball Information

Waukee Warrior Athletic Club (WAC)

Fall Ball through the **Warrior Athletic Club (WAC)** program is for girls wishing to play softball at a more *competitive level* than recreational softball. Fall Ball is a great way to keep your playing skills sharp, and for those interested, to get ready for the 2011 competitive WAC team tryouts that will be held soon after Fall Ball ends in late September / early October. It is also a great introduction for players and parents to see if they are ready for the commitment necessary to play competitive softball.

Fall Ball games are double-headers played on Saturdays and Sundays at the end of August and through September at diamonds around the area, such as Urbandale, Ankeny, West Des Moines, Indianola, etc. Teams usually play 16-18 games, weather permitting. Games are played on Saturdays and Sundays until early September (usually the Iowa vs. ISU game), then only on Sundays. Games are not played on Labor Day Weekend.

The WAC plans to form teams for the 10U, 12U and 14U levels. Girls will play at the age group where they would play next spring. This allows the girls to get used to the rule changes and the different playing level.

10-Under - Players born in **2000 and later**

12-Under - Players born in **1998 and 1999**

14-Under - Players born in **1996 and 1997**

There are "A", "B" and "C" divisions in all age groups and teams will be placed at the level determined by the coach. For the 10u division, there is also a "Rookies" division for those girls still eligible for 8u ball in 2011, but want to experience player pitch.

There is the potential for experienced teams in the 12U and 14U age divisions to play in three tournaments instead of the Fall Ball League. That decision will be made closer to the beginning of the season when the WAC Board has more information on number of teams and the tournament options available.

Once the **July 17, 2010 registration deadline** has passed, the number of teams at each age level will be determined, and coaches will be assigned by the WAC board. Teams will be determined for each age level, and each player will be notified of their coach and team members around the end of July.

Registration fee is \$90 per player. Those players that did not play on a 2010 WAC spring league will be assessed an additional \$20 fee for a jersey and visor.
