(B) Eligibility

Players must be properly registered, fees paid, and in good standing with WAC to be eligible for tryouts and placement on a WAC roster. Late registrations and/or fee payments (after the formal registration dates) are subject to roster availability and will be assigned to teams at the discretion of the selection committee.

(C) Team Formation. Each fall the Waukee Athletic Club (WAC) will offer ASA Softball Tryouts for girls in the Waukee School District who are eligible to compete on U10, U12, or U14 softball teams. The Tryouts will be held at a time and place determined by the WAC Board, usually upon completion of the MIGS Fall Ball Season. (late September, early October)

All girls must tryout to be assigned a team. Girls missing tryouts or new to the district will be required to tryout before the coaches in their age-group for proper team placement.

After Tryouts, teams will be formed based on the following procedures:

- U10 - Coaches will be assigned by the board based on prior experience, parent evaluations and softball knowledge.
 - o Top 8 Tryout Scores will be assigned to U 10 Gold.
 - o Next 3 – 4 Spots, depending on roster size, will selected by the coaches from the Top 20 Tryout Scores. Player evaluations from previous coaches will be available to assist with talent assessment as well.
 - o Maximum Team Size will be 12 Players with a minimum of 10 assigned to the roster.
 - o If the numbers and resources allow for a third team, this Team will be formed after the Purple Team has been assigned.

 - o All Players at the U 12 Level will be asked to list a primary and secondary position on their try-out registration to allow coaches to have additional background information.

 - o The balance of the team will be selected by the U12 Head coach from the entire U12 Tryout list. The U12 Coach will select the balance of their team by reviewing tryout scores, prior player evaluations, prior player statistics, and overall past player experience.
 - o Maximum Team Size will be 12 Players with a minimum of 10 assigned to the roster.
 - o If the numbers and resources allow for a third team, this team will be formed after the Purple Team has been assigned.

Players may request to play down to a lower tier team subject to board approval. Specifically, this allows a pitcher or catcher not rated high enough to play on the higher level team an opportunity to play down in order to pitch/catch on a lower tier team.

Tryouts are waived if enrollment at a particular level is less than or equal to the number of players needed to form a team. Registration fees are not refundable except under extraordinary circumstances, i.e. injury, illness, etc. A committee of the President, Treasurer, and Director will review refund requests.

(D)Playing Up

Girls playing in the WAC will not be allowed to play above the age group in which they are eligible.

14U: Girls 13 or 14 years of age on December 31st of the previous year.

** The 8U teams play in a limited number of coach-pitch tournaments. If a girl has played player-pitch for Fall Ball, she is eligible to try-out for a 10U team with the understanding she will play 3 years at the 10U level (i.e. not move up to 12U early) **

(E) Tryout Process

Within the limits of a volunteer organization, WAC strives to make the tryout process as impartial as possible. During tryouts, outside evaluators judge each player at each skill level including: hitting, bunting, fielding grounders, fielding fly balls, sliding and base running. Evaluators should not have any connection to players in the WAC program. No adjustments to the tryout tests or procedures are to be made once the tryout begins.

(F) Tryout attendance

Players are required to attend the full tryout process. Illness, injury, or extraordinary personal circumstances may cause players to request an exemption from tryouts. Requests must be made prior to the start of tryouts unless an injury or illness occurs during the tryouts. Submission of supporting documents, including doctor's reports, etc. are highly recommended and should be submitted

prior to the end of tryouts for anyone requesting a waiver from tryouts. The WAC Board will review the request for exemption and determine the appropriate course of action based on the best interest of the program. Anyone choosing not to participate in tryouts will be placed on rosters at the discretion of the selection committee and the best interests of the program.

(G) Summer post-season rosters

WAC teams advancing to post-season play will be allowed to add players to their roster in accordance with rules of the governing body. Currently, ASA Article 503 allows up to 3 “pick up” players for teams advancing beyond the State Tournament. Post-season roster additions are intended to maximize the depth and quality of the team and will be at the sole discretion of the team coach.

(H) Fall team rosters

Fall coaches and a Board appointed selection committee will form teams (rosters) based on a modified draft from available registrations. Teams will be placed with their spring ASA team as much as possible.

Article VIII

Conflict Management

Section 8.1 Conflict Management

WAC coaches are volunteers. They are not expected to tolerate disruptive or disrespectful behavior by players or parents. Profanity, verbal abuse, or physical abuse will not be tolerated. Discipline for detrimental behavior conducted during any WAC sponsored event, or events where WAC is a participant, is the responsibility of the head coach.

If a player does not respond to a coach’s verbal warning(s), the WAC Board of Directors grants its coaches the right to dismiss a player from practice or a game for conduct deemed detrimental to the team. The interpretation as to what constitutes insubordinate or otherwise inappropriate behavior at the time of the incident will rest on the judgment of the coach.

First Offense – Suspension from current practice or game. The coach shall inform the player’s parents of the incident and the player will return to the next scheduled practice or game, but must first meet with the coach prior to the start of the next practice or game.

Second Offense – Suspension from practice or game. A mandatory telephone conference or meeting between the coach, the player and her parent(s) must take place before the player can resume participation with the team.

Third Offense – The player is automatically suspended from further participation until a mandatory meeting can be scheduled with the player, the player’s parents, coach, and WAC age group Director.

The coach may recommend disciplinary action above and beyond these guidelines to the WAC President and appropriate age group Director, if the severity of the situation warrants. Any deviation from the recommendations stated above is subject to the approval of the WAC Board of Directors. In all cases, notice of suspensions will be communicated to the player’s parent(s), the age group Director, and the WAC President.

A player, parent, coach, manager, or WAC board member who violates any federal, state, local statute, code, ordinance, regulation or guideline during any WAC sponsored event or events in which WAC is a participant, may be temporarily suspended by the Board from further participation and will not be reinstated until being heard before the WAC Board of Directors and may face additional sanctions as deemed appropriate by the Board.

Article IX

Grievance Procedures

Section 9.1 Grievance Procedures

While WAC works diligently to address issues before they become problems, we recognize that parents and players need to know how to proceed should they wish to seek resolution to an unresolved problem. If there is a complaint, the following steps may be taken:

The parents and players are encouraged to work with coaches to resolve their differences. Parents and players should wait to address their concerns until they can approach the coach in a private setting where other parents and players are not around.

If the problem remains unresolved after discussing the matter with the coach, contact the appropriate age group Director. The Director will facilitate an informal meeting between the parents and/or player, the coach, the age group Director and one at-large Board member. At this meeting, the participants will discuss possible resolutions of the problem short of a formal complaint to the Board. If a resolution is reached which is satisfactory to both parties, a summary

of the outcome will be presented to the Board for approval, if deemed necessary by any Board member present at the meeting.

If the matter is not resolved at the informal meeting and someone wishes to pursue the matter further, a written complaint or question should be directed to the attention of the WAC President. The letter must be signed, contain a return address and a phone number. The coach or other individual(s) involved will be given an opportunity to respond, in writing, to the statement. The complaint and response will then be brought before the WAC Board of Directors as soon as possible. If deemed necessary by the Board, the parties involved request to appear before the Board to answer questions. Written correspondence stating the final decision and action taken by the Board of Directors, if any, will be mailed to both parties within 30 days.

It is anticipated that the majority of problems should be resolved without Board involvement. Submitting a concern to the Board of Directors should only be considered when all other means of resolving the complaint or issue have failed.
